About Jinyu®

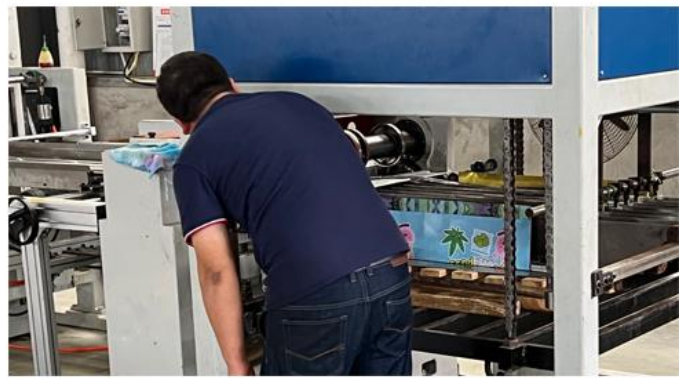

Anhui Jinyu Metal Printing & Can Co., Ltd. was established in April 2008, focusing on the designs, production, and sale of various tin products. Our company is located in Lu'an High-tech Industrial Development Zone, Anhui Province, covering an area of 35228 square meters, currently with 15 standard and 10 fully automatic production lines, totally over 300 production equipments, the monthly output reaches more than 3 million pieces.

Our main products include: tin rolling tray, cookie tins, candy tins, tea tins, cosmetic tins, promotion gift tins and tin paint bucket... With over 2000 various exist product molds will meet your diverse need.

Our company has passed McDonald's, Disney and BSCI factory audit, SEDEX and SGS certification, ISO90001 quality certification and so on. Our products export to more than 50 countries and regions around the world.

We welcome new and regular customers from all over the world to contact us for future business relations and joint efforts!

Rolling tray production process

Made of FDA-approved 0.35mm thickness food grade durable tinplate.

Advanced printing equipments with pantone color printing technology assure the high fidelity and accurate of colors.

Factory direct supply, fully automatic production lines, 3 millions of annual output, fast delivery.

Manual production lines provide small quantity service and quick proofing.

Our QC team will do random inspection of all rolling trays to ensure the highest qualified rate.

Each rolling tray will be wrapped by an opp bag to protect from damage.

All rolling trays will be packaged in standard 5 layers master carton, worry about the damage in transit.

By air and sea shipping will assure your timely receiving and delivery.

N1 Custom Weed Tobacco Rolling Tray Set Wholesale

Great quality, fast shipping, and great customer service

FAQ

1. How long is the lead time?

Usually it will take 4 weeks for custom rolling trays, 3 days for stock, we always delivery our goods timely.

2. Can I custom my size and color?

We accept all kinds of OEM & ODM, it will based on all your requirement, provide us your artwork or logo, just 3 steps you will get your excited rolling trays.

3. What's material of the rolling tray?

The rolling tray is made of 0.35mm thickness first-grade tinplate, it's food directly contacted and not easy to get corrosion or rust, really recycleable and eco environmental.

4. Are you trade company or manufacturer?

We are a company integrating industry and trade which has specialized in exporting rolling trays for over 15 years, we own advanced production equipment and skilled employees which will provide you the best products and service.

5. Do you have any certificates and cooperation cases?

Our product has approved by Sedex, MC Donald, SGS, ISO9001, BV, and we have established long term relationship with some famous rolling tray brands like the Raw, 420, Backwoods, Cookies, etc...

6. How should I pay?

We accept T/T, WestUnion, Paypal, Credit Card, ect...
